

PRINTABLE BRACELET SIZER

DELIA LANGAN

Before Printing

1. Before printing this ring sizing guide, make sure that page scaling is set to "NONE" in your printer settings area.
2. Measure the line on the bottom with a ruler to ensure it is exactly 2 Inches.

3. If the measurement isn't accurate, please review your print settings again. Be sure you are printing full size.

Method 2 - Paper Sizer

1. Carefully cut out the paper sizer below. Be sure to make a small slit in the end for the ruler to slide through.
2. Wrap the sizer around your wrist with the numbers facing out and slide the rounded end through the slit.
3. For an accurate measurement, pull the sizer tight over the widest part of your wrist bone.
4. Read the number that lines up next to the slit. This is your wrist size.

* We cannot guarantee that bracelet sizing via paper will be accurate. We highly recommend getting sized by a local jeweler.
