

# Emerson End Table

Gus\*

**FINISH** > Walnut with White Lacquer  
**BASE** > Powder Coated Steel

The Emerson End Table is a minimalist design that contrasts wood grain with smooth lacquer surfaces, creating a piece that is both timeless and contemporary. A recessed, slender steel base with white, powder-coated finish creates an illusion of weightlessness. The Emerson's design incorporates an open space for books and magazines and a drawer for tucking away smaller objects. The End Table is part of the Emerson Storage Series, matching perfectly with the Emerson Media Stand and Credenza.
