The Flipside Sofabed's unique design allows it to effortlessly convert from a stylish, modern sofa to a Queen size bed with one quick flip. The luxurious, loose-back cushions are not only comfortable, they are also sustainable as they are filled with eco-friendly synthetic-down. It features a removable, pre-shrunk, machine-washable cotton top sheet which fastens securely to the bed. The frame is constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
