

# Foundry Chair

## ASSEMBLY INSTRUCTIONS

---

KEEP ALL PACKAGING MATERIALS UNTIL YOU HAVE VERIFIED ALL COMPONENTS AND PARTS.

1. Gently rest the back of the Chair on a clean, flat surface.
2. To install the metal legs, align the holes of the steel plates with the threaded inserts on the underside of the Chair. Secure the legs into the threaded inserts with the provided screws and washers.
3. Flip the Chair upright, being careful to not put excessive pressure on any individual leg.

DEPENDING ON USE IT MAY BE NECESSARY TO TIGHTEN THE LEGS PERIODICALLY TO MAXIMIZE STABILITY.
