

# Foundry Ottoman

## ASSEMBLY INSTRUCTIONS

---

KEEP ALL PACKAGING MATERIALS UNTIL YOU HAVE VERIFIED ALL COMPONENTS AND PARTS.

1. Gently rest the side of the Ottoman on a clean, flat surface.
2. To install the metal legs, align the holes of the steel plates with the threaded inserts on the underside of the Ottoman. Secure the legs into the threaded inserts with the provided screws and washers.
3. Flip the Ottoman upright, being careful to not put excessive pressure on any individual leg.

DEPENDING ON USE IT MAY BE NECESSARY TO TIGHTEN THE LEGS PERIODICALLY TO MAXIMIZE STABILITY.
