Take a spin in the Lecture Task Chair's supportive swivel frame and you'll start to view your workspace from a new perspective. This lightweight, formed-plywood desk chair is equal parts style and functionality with a padded seat cushion and curved back for ergonomic support. Rising to meet your highest standards, Lecture features an easy-to-use seat adjustment lever that lifts you comfortably to meet any desk or table. Five legs for stability and five stars for its ability to modernize your workspace.

Lecture Task Chair
