Our Loft Sit-Stand Desk is a big-scale shift with a small-scale footprint. A lesson in Scandinavian-inspired minimalism, this desk is frills-free, yet highly functional. With options to find your ideal working posture, you can relax at ease while you enjoy your morning coffee or stand at attention for virtual meetings. Switch up your point of view whenever you need with the reversible standing top configuration that can be moved to either side of the desk. No more fidgeting, no more strain. Simply a well-made desk.

Loft Sit Stand Desk

- Online exclusive. Not available in stores.
- Designed for a small-scale workspace or home office.
- Upper platform can be configured on either side of the desk.
- For strength and stability, surfaces are constructed using an engineered wood core with real wood ash veneer.
- Water-based, clear coat finish.
- Powder-coated steel frame.
- Simple assembly. Instructions, hardware and tools included.
- CARB (California Air Resources Board) Phase II compliant.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
