

Truscott Desk

Blonde
Ash

The ultimate space saver, the Truscott Desk offers a sleek way to add more workspace to your office without taking up extra room. The ergonomic raised platform is designed to hold your laptop or other electronics, allowing you to position your screens as needed for all-day comfort. Keeping things tidy with a cable management system and integrated bottom shelf, all distractions stay tucked away so you can focus on the tasks at hand. With a sleek solid ash frame, Truscott revamps any home office or workplace with its flair for modern convenience.

Truscott Desk

- Online exclusive. Not available in stores.
- Designed for small-scale workspace or home office.
- Desk frame is solid ash wood.
- Features a floating monitor stand that easily glides along back metal panel for precise monitor positioning. Can be removed and used as an angled, ergonomic stand for a tablet or laptop.
- Powder-coated back panel with integrated cable management.
- For strength and stability, tabletop and shelf surfaces are constructed using an engineered wood core with real wood veneer.
- Water-based, clear coat finish.
- Simple assembly. Instructions, hardware and tools included.
- CARB (California Air Resources Board) Phase II compliant.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
