

Element Rug

Rose

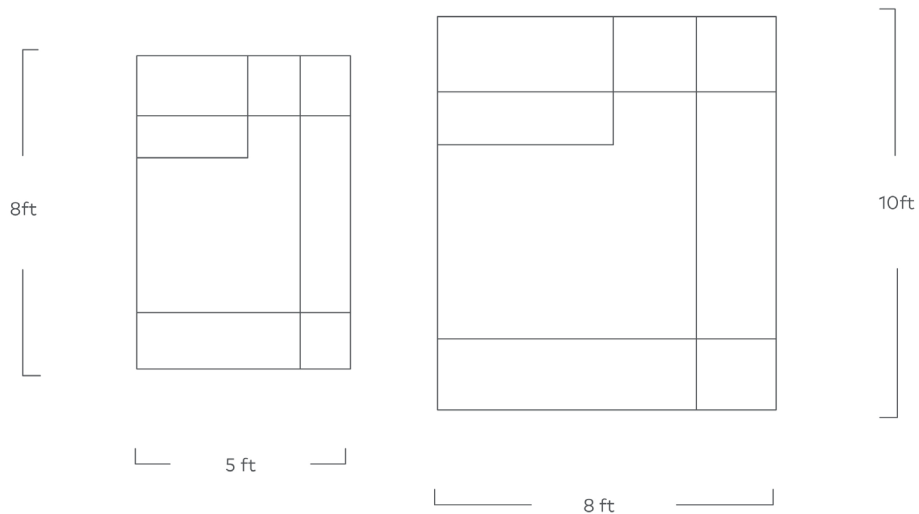

Tofino

The Element is a high-pile, hand-tufted rug with a Modernist color field design inspired by traditional patchwork quilts. Handcrafted in India using 100% New Zealand wool, the Element is plush and dense, giving it a luxurious texture underfoot. Available in two bright colorways and three sizes, this rug is perfect for bedrooms, nurseries and living spaces.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.
