

Elk Chair - Gus* x Pendleton **NEW**

Gus*

New

Seat Height 15in | 38cm
Seat Depth 21.5in | 55cm

UPHOLSTERY > Fabric
LEGS > Powder Coated Steel

Introducing a pair of limited edition Elk Chairs from furniture designers Gus* Modern and heritage textile brand Pendleton Woolen Mills.

For this collaboration, the Pendleton fabrics are produced by Sunbrella, which brings an exceptional level of quality and performance to the upholstery, and makes these chairs ideally suited for modern spaces that demand high style and easy maintenance.

Whether they're destined for a lakeside cabin or downtown loft, these designs celebrate the perfect union of textiles and furniture.
