The Mimico is a multi-purpose design has a distinctive Scandinavian influence. The Mimico can be used as an ottoman, coffee table, or bench. Perfect for the living room, bedroom or entryway, the upholstered top provides a comfortable seat, and flips up easily to stash clutter. It features a hard surface area to rest your sunglasses or keys while you get ready for the day. The end has an open cubby for displaying books and magazines, and the legs are turned, solid wood.
