Artist & Designer

Ibiza, Spain

aligrant23@gmail.com | www.iamali.art

Profile

Visionary artist and entrepreneur with a background in architecture, interior design, and music. Expertise in designing immersive environments for the nightlife industry and high-end residential projects. Inspired by modernist design philosophies, with a focus on simplicity, and sustainability. Extensive experience in launching and running creative businesses, merging design, technology, and culture.

Entrepreneurship

Founder & Creative Director

2010 – Present

- **Halo Soundsystems Ltd** (2021 – Present): Developed state-of-the-art audio systems and immersive design solutions for the entertainment industry. Led the design and technical direction for various high-profile projects.
- **Canvas+Cone** (2020 – 2023): Co-founded a design-led bespoke audio studio for high-end interiors and villas in Ibiza, focusing on integrating sound with luxury interior design.
- **Door & Rivet** (2016 – 2018): Co-founded a start-up roastery and independent café in Bristol, building the brand and business from scratch. Successfully exited the business to a coffee company after two years.
- Skills: Business Development, Brand Strategy, Creative Direction, Product Design, Project Management
