## About us

- GWEE produces high quality Cannabis products
- Our products are 3rd party lab tested
- Our CBD is extracted from industrial hemp that is cultivated to the highest standards
- All of our products start their life at our G.M.P. facility in Athens, Greece
- Our goal is to provide an excellent and fast buying process and keep our clients 100% satisfied.

# We believe

We believe that Cannabis compounds like CBD have the potential to impact the lives of millions and by continuing to tell and educate you about the valuable therapeutic properties of this plant, we believe it can improve the quality of life for many and make big changes on this planet.

---

# Full Spectrum oil

GWEEproducts Full Spectrum raw CBD oil offers the benefits of the hemp plant as nature intended. Packed with vital minor cannabinoids, omegas, vitamins, and minerals that are typically lost when heated. Our CBD oil is a whole-plant extract containing naturally occurring cannabinoids, terpenes and flavonoids. Our raw CBD oil does not cause a high because it contains less than 0.2 % THC. Our raw CBD oil has a natural hemp taste and a slightly noticeable scent

# Your home for CBD
