**PRINTED IN
DETROIT**

SMPLFD Printing Co. is a Detroit based printing company that offers screen printing, embroidery services, and graphic design to a wide range of customers including both small and large business, as well as individuals. With an easy to find location in Detroit's historic Eastern Market, we provide the accessibility and friendliness you'd expect from a small neighborhood business.

IMPORTANT PRINTING INFORMATION

Ink color changes for the same design cost \$15 per color change.

Printing on long sleeve and pant legs require an additional \$0.50 per print.

Dark garments require a white ink underbase for bright, true colors.

Pantone color matching cost \$25 per color. Custom mixes cost \$15 per color.

For rush jobs add an additional 25%-50% on top of the standard total cost.

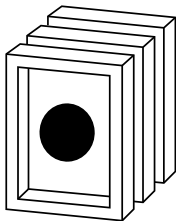

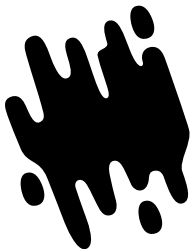

If you need artwork, we can help. Simple, one color logos start at \$50. Complex, multi colored logos start at \$100.

13" x 16" is the standard size we can print. There's an additional cost for larger prints. Max print size is 14" x 19".

All orders with print ready artwork will receive 5% off total cost.

Files at 300 dpi resolution or higher that end in .pdf, .eps, or .ai are print ready.

Files less than 300 dpi resolution that end in .jpg, .psd, .png, or .tiff are not print ready files and will not get a discount.
