Actual Size

Tales of these legendary creatures go back generations, and in some cases, centuries. A third-hand eyewitness report here, a fuzzy photo or film clip there. You know they exist but they have been frustratingly elusive. Well, no more! This set of six hairy but not-so-scary three-dimensional collectible cryptids are real and are ready to be caught. They're the WILDHAIR CREATURES OF LEGEND AND LORE! CAPTURE THEM ALL!
