CONGRATULATIONS

You are now a proud new owner of a SMART PLANET Bacon Bowl Maker model no. BNB-1BB

Before using it for the first time, kindly take time to carefully read your instruction manual. Please observe all safety precautions and follow operating procedures. After reading, kindly store your instruction manual in a safe place for your future reference. If you pass this Bacon Bowl Maker to a third party, please include the operating instruction manual as well.

READ ALL INSTRUCTIONS BEFORE USING THE BACON BOWL MAKER

ELECTRICITY PRECAUTIONS

- To protect against electric shock, do not immerse cord, plugs, or other electric parts in water or other liquids.
- Do not operate any appliance with a damaged cord or plug.
- Do not use this appliance outdoors.
- After cooking, unplug cord from wall outlet. Let appliance cool before removing cord.
- Do not leave the appliance plugged in when it is not being used.
- Always unplug the appliance from outlet before cleaning. Allow to cool before cleaning.
- A Bacon Bowl Maker that is plugged into an outlet should not be left unattended.
- A short power cord is provided with this appliance to reduce the risk of entanglement or tripping. While we do not recommend it, extension cords may be used if care is exercised. If an extension cord is used, ensure that the marked electrical rating of the extension cord is equal to or greater than the appliance. If the plug is of the grounded type, the extension cord must be a grounding-type 3-wire cord. To avoid pulling, tripping or entanglement, position the extension cord so that it does not hang over the edge of the counter, table or other area where it can be reached by children.

PARTS DESCRIPTION

A. Red Power Light
A1. Green Ready Light
B. Housing
C. Front Handle
D. Power Cord

IMPORTANT SAFEGUARDS

- Never touch hot surfaces. Always use hot pads or oven mitts.
- To protect against fire, electric shock and injury, do not immerse cord, plug or Bacon Bowl Maker in water or other liquid.
- Close supervision is necessary when this appliance is used by or near children.
- Before use, unwind the power cord completely and keep the cord away from the hot parts of the appliance.
- Do not let the power cord hang over edge of the table or counter or touch hot surfaces.
- Do not place the Bacon Bowl Maker on or near hot gas or electric burner, or in a heated oven.
- Do not operate the Bacon Bowl Maker with a damaged cord or plug, after the appliance malfunctions, or has been damaged in any manner. Contact the Smart Planet Service Center for examination, repair or replacement.
- Do not attempt to repair this appliance yourself.
- The use of accessory attachments are not recommended and may result in fire, electric shock or injury.
- Always unplug the Bacon Bowl Maker from the electrical outlet when not in use and before cleaning to avoid accidental electrical shock. Allow it to cool before adding or removing parts and before cleaning.
- As long as the appliance is hot, even if unplugged, there is the danger of getting burned. Do not touch the appliance and do not place it into storage while hot.
- Do not use the Bacon Bowl Maker other than for its intended use.
- For use only with 120V, 60HZ power. Use a socket with a good ground connection. Do not use a two-way adapter on the three prong power cord provided.
- For interior household use only. Do not use this appliance outdoors.
- This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit into a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to modify the plug in any way.

CAUTION
To prevent burns or other personal injuries to children, read and follow all instructions and warnings.

PRECAUTIONS FOR USE AROUND CHILDREN

- Close supervision is necessary when this appliance is used near children.
- Do not allow cord to hang over any edge where a child can reach it. Arrange cord to avoid pulling, tripping or entanglement.

BEFORE FIRST USE

1. When using for the first time, remove all packaging materials and unwind the power cord from the appliance.
2. Open the unit by lifting the front handle.
3. Clean the appliance with warm soapy water using a damp cloth, then dry it. DO NOT immerse the whole unit in water at any time.
4. Before using the Bacon Bowl Maker, make sure it is at least 4-6” away from any obstacles.
5. There may be a slight smell and some smoke the first time the Bacon Bowl Maker is used. This is normal and temporary. Make sure there is sufficient ventilation.

**DO NOT put the Bacon Bowl Maker into the dishwasher. This will permanently damage the product and will void the warranty.**

CLEANING & CARE

- Always disconnect the power plug before cleaning.
- Clean the unit only when it has completely cooled down.
- Clean the housing surface and the outer surfaces of the unit with a soft, damp cloth.
- Remove the plug and clean with a dry cloth. A build-up of dust on the plug could cause cable damage or malfunction.
- Never use abrasive cleaning agents or sharp objects (i.e. scrubbing brush or knife) for cleaning.
- **CAUTION:** To avoid electric shock DO NOT immerse the Bacon Bowl Maker in water or other liquids.
- Clean the drip tray after each use.

USING YOUR BACON BOWL MAKER

1. Place the Bacon Bowl Maker on a flat, dry surface.

2. Make sure the drip tray is securely in place under the unit.

3. Plug the power cord into a standard 120 volt AC electrical outlet. **NOTE:** the plug is polarized (one prong is wider than the other) and should be used in a polarized outlet.

4. Close the housing unit and do not touch the hot plates while the unit is cooking.

5. The RED power light will turn on to show the unit is heating.

6. When the GREEN light turns on open the unit and line the bottom hot plates with strips of bacon in the shape of a bowl.

   ![Step 1](image1.png) ![Step 2](image2.png) ![Step 3](image3.png) ![Step 4](image4.png)

7. Close the unit and allow to cook for 6-8 minutes. Please note that the GREEN light will turn off & on periodically to maintain the temperature of the unit.

8. After the specified cooking time of your recipe, open the unit to check if the Bacon Bowls are ready. If they are cooked as desired, allow to cool and then use a wooden utensil to remove them. If the Bacon Bowls are not completely cooked, close the unit and continue cooking for additional time. To avoid scratching the non-stick surface of the hot plates, do not use sharp utensils to remove the bacon bowls.

9. To cook additional Bacon Bowls, dump out the grease from the drip tray, wipe with a moist cloth, and repeat the above steps. Do not touch the hot plates.

10. When finished, unplug the Bacon Bowl Maker from the electrical outlet. Allow the unit to cool before cleaning.
90 DAY LIMITED WARRANTY

Smart Planet warrants this appliance from failures in the material and workmanship for 90 days from the date of original purchase with proof of purchase, provided the appliance is operated and maintained in conformity with the provided instruction manual. Any failed part of the appliance will be repaired or replaced at Smart Planet’s discretion.

This warranty does not cover any damage, including discoloration, to any non-stick surface of the appliance. This warranty is null and void, as determined solely Smart Planet if the appliance is damaged through accident, misuse, abuse, negligence, scratching, shipping or if the appliance is altered in any way.

If you think the appliance has failed or requires service within its warranty period, please email the Bacon Bowl Service Department at service@smartplanet.net for further instructions. Please include a description of the defect along with the date you purchased the product and the original receipt with the original purchase date. A receipt proving the original purchase date will be required for all warranty claims, hand written receipts are not accepted. You may be instructed to return the appliance for inspection and evaluation. Return shipping costs are not refundable. Smart Planet is not responsible for returns lost in transit.
