IMPORTANT SAFEGUARDS

FOR HOUSEHOLD USE ONLY

• Read all instructions before using Hot Dog Toaster.

• Clean all parts before using for the first time.

• To protect against fire, electric shock and injury, do not immerse cord, plug or Hot Dog Toaster in water or other liquids.

• Close supervision is necessary when any appliance is used by or near children.

• Do not touch hot surfaces. Use handles and knobs.

• Before use, unwind the power cord completely and keep the cord away from hot parts of the appliance.

• Do not let the power cord hang over the edge of your table/counter or touch hot surfaces.

• Do not place on or near hot gas or electric burner, or in a heated oven.

• Only operate the Hot Dog Toaster on a dry, flat non-slip surface.

• Do not operate the Hot Dog Toaster with a damaged cord or plug. If this product malfunctions, or has been damaged in any manner please stop operating.

• The use of an accessory attachment is not recommended by Smart Planet it may result in fire, electric shock or injury.

• Always unplug the Hot Dog Toaster from the electrical outlet when not in use and before cleaning to avoid accidental electrical shock.
• Allow time for the unit to completely cool before cleaning.

• As long as the appliance is hot, even if unplugged, there is the danger of getting burned. Do not touch it or put it into storage while hot.

• Do not use the Hot Dog Toaster for anything other than its intended use.

• Use an outlet with a good ground connection. Do not use three to two way adapter on the three prong power cord provided.

• Do not leave the appliance unattended while in operation.

• Check the inside of the appliance for the presence of objects prior to use.

• Do not attempt to insert any utensil or any other object while the toaster appliance is plugged in or in operation. Doing so may lead to personal injury or shock.

• To disconnect, turn all controls to the ‘OFF’ position and then remove the plug from the electrical outlet.

• Oversized foods or metal utensils must not be inserted in the appliance as a fire or risk of electrical shock.

• A fire may occur if the appliance is covered by or touching flammable, or household materials when in operation.

• Do not try to remove hot dogs, buns, or service the unit while it is still plugged in.

• This appliance is strictly intended for the use of regular sized hot dogs and buns. Do not attempt to cook any other food items in this unit.

• Close supervision is necessary when this appliance is used near children.

• Do not allow cord to hang over any edge where a child can reach it. Arrange cord to avoid pulling, tripping or entanglement.

1. When using for the first time, remove all packaging materials and unwind the power cord from the appliance.

2. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.
3. Clean the appliance with warm soapy water using a damp cloth, then dry it. **DO NOT** immerse the whole unit in water at anytime.

4. Make sure the tongs, crumb tray, and inside of the toasting slots are clean.

5. Thoroughly dry all parts before reassembling.

6. Make sure the crumb tray is in place and the toasting level is in the up position.

7. Place the Hot Dog Toaster on a flat surface at least 3-6” inches away from any obstacles.

8. There may be a slight smell and some smoke the first time the appliance is used. This is normal and temporary. Make sure there is sufficient ventilation.

**CLEANING & CARE**

- **CAUTION:** To avoid electric shock **DO NOT** immerse the appliance in water or other liquids.

- Always clean your appliance after each use to prevent a build up of crumbs. The crumb tray is located on the bottom of the side opposite of the toasting controls. Pull it out for cleaning only after the unit has been shut off, unplugged from the outlet, and has completely cooled. Clean and dry it thoroughly before reinserting it into the toaster.

- Always disconnect the power plug from the wall outlet before cleaning.

- Clean the unit only when it has completely cooled off.

- Clean the housing surface and the outer surfaces of the unit with a soft, damp cloth. Allow to stand for five minutes then wipe with a damp cloth. Do not use abrasives or metal sponges as they will scratch the plastic and housing graphic.

- Do not place the unit in the dishwasher.

- Carefully wash parts such as the Hot Dog Toaster Basket, Tongs, and Crumb Trays using warm soapy water.

- Dry all parts thoroughly before reassembling for use or storing.

- **CAUTION:** The heating surfaces as well as the sides and top of this appliance may get very hot. Avoid contact with these hot areas by only using the handles and an oven mitt.

- The appliance must always be positioned horizontally on a flat surface during use.

- Do not clean the appliance until it is completely cooled off.

**Save these instructions in a safe place for future reference.**

**OPERATING INSTRUCTIONS**

- Make sure the Hot Dog Toaster is placed atop a stable, flat, heat resistant surface where the appliance won’t easily tip over or fall.

- Never use the Hot Dog Toaster without the Hot Dog Basket or Crumb Tray.

1. Insert two regular sized hot dogs into the Hot Dog Basket and place the basket into the Hot Dog Slot on the toaster.

2. Take two regular sized sets of hot dog buns, open them up and insert them into the Bun Slots.

3. Plug the power cord into a standard 120 V outlet.

4. Turn the adjustable dial to the desired heat setting; 1 being the lowest and 5 being the highest

5. To start the cooking process, push the toaster lever down until it locks into place.

6. The Hot Dog Basket along with the buns will pop up
90 DAY LIMITED WARRANTY

Smart Planet warrants this appliance from failures in its materials and workmanship for 90 days from the date of original purchase provided the appliance is operated and maintained in conformity with the instruction manual. Any defective part of the appliance will be repaired or replaced at Smart Planet’s discretion. Customers must provide proof of purchase when submitting a warranty claim.

This warranty does not cover discoloration or any damage to the non-stick surfaces of the appliance. This warranty is null and void, as determined solely by Smart Planet, if the appliance is damaged through accident, misuse, abuse, negligence, scratching, shipping or if the appliance is altered in anyway.

If you think the appliance has failed or requires service within its warranty period, please email the Service Department at service@smartplanet.net for further instructions. Please include a description of the defect along with the date you purchased the product and the original receipt with the original purchase date. A receipt proving the original purchase date will be required for all warranty claims, hand written receipts are not accepted. You may be instructed to return the appliance for inspection and evaluation. Return shipping costs are not refundable. Smart Planet is not responsible for returns lost in transit.

Valid only in USA and Canada

HELPFUL HINTS

• There may be a slight smell and some smoke the first time the appliance is used. This is normal and temporary. Make sure there is sufficient ventilation.

• Some counter top and table surfaces are not designated to withstand prolonged heat generated by certain appliances. It is recommended by counter top manufactures that a hot pad or trivet be placed under your appliance to prevent possible damage to the surface.

• Make sure at least one hot dog and one set of hot dog buns are in the Hot Dog Toaster before operating.

• Regularly remove the crumbs and clean the crumb tray prior and after uses.

• Unplug the Hot Dog Toaster from the electrical outlet when not in use.

• Always use the tongs provided to remove the hot dogs and buns.

• For better results, keep hot dogs and buns at room temperature before cooking them in toaster. DO NOT COOK FROZEN HOT DOGS IN THE TOASTER.

• Some hot dogs and buns may require more time to cook, adjust the dial according to the time necessary.

when the cooking process has ended,

7. Unplug the unit from the outlet and allow it to cool. Carefully remove the hot dogs and buns using the tongs provided. DO NOT ATTEMPT TO REMOVE THE HOT DOGS OR BUNS WHILE THE UNIT IS STILL PLUGGED IN.

8. After all parts have cooled, clean the toaster, Hot Dog Basket, Tongs, and Crumb Tray.

10. Dry all parts thoroughly before storing the unit or using it again. NOTE: Store in a cool dry place.
