

Flex Strap Connector

for Corral Panels and Round Pens

HB663 - 16 ga. Oval Panel with Flex Strap

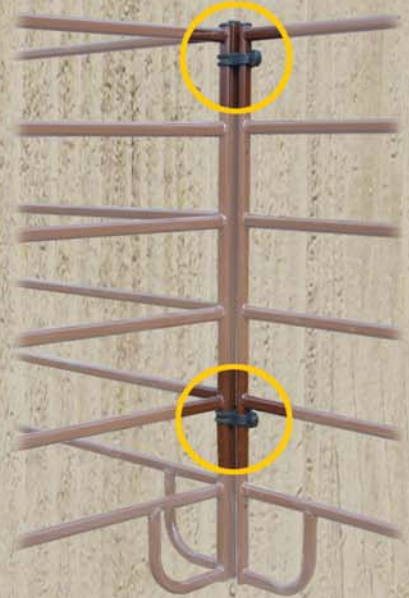

HB-316 Flex Strap with Pin

HB-321 Flex Strap Hook Pin

HB-322 Flex Strap

HB672 - 16 ga. showing 3-way Panel with Flex Strap

Here's How the Flex Strap Works...

1. Insert pin into panel with hook on the outside (non-animal side) of the corral.

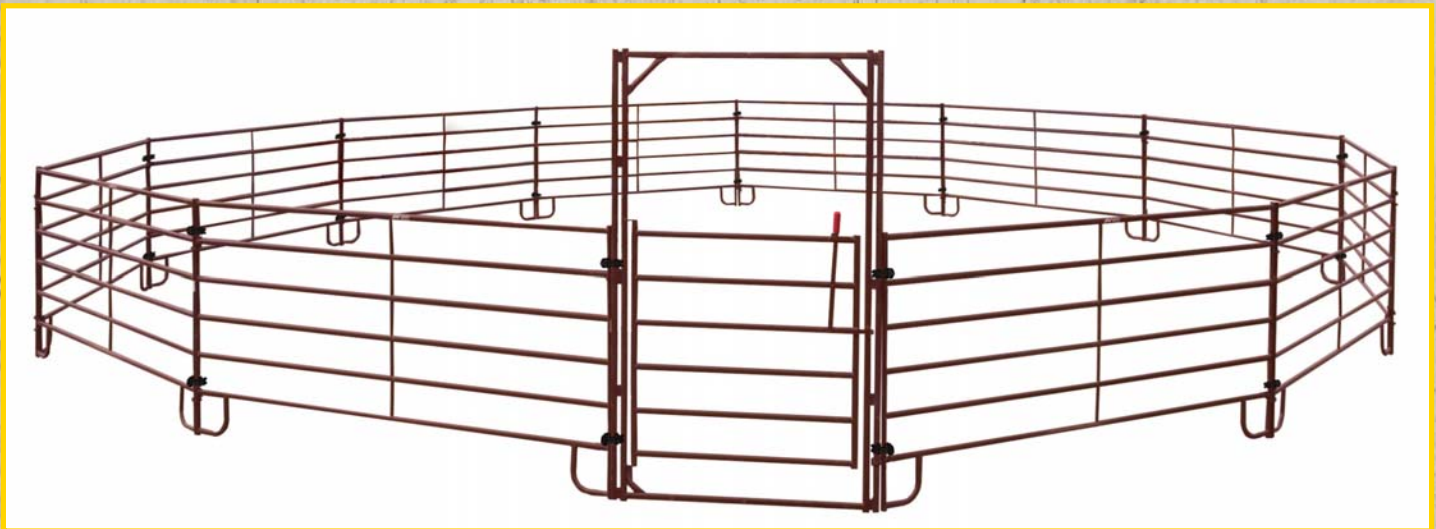

2. Wrap Flex Strap around adjoining panel and stretch to allow insertion of hook into slot.

3. Push exposed pin into hole in strap.
