Questions:

Are you our customer?	
Do you buy your dog/cat food from Well Bred?	
When was your last purchase? What was the value or what items?	
Are you willing to purchase \$25 gift card?	

We get many donations requests every week. While we are happy to work with rescues on special food deals and we donate quite a lot of food to them every year, we are limited in our sponsoring capability.

Therefore, we will be happy to donate a gift basket to your case, if:

- Your **case is related to helping local pets** (within 7 miles from where we are located)
- A person requesting donation for her case is our **regular customer** (is on our customer's list and buy food from us)- **you support us as your local business and we support your case**
- You will support your case, by buying a **\$25 gift card** that we will attach to your gift basket.

All Donations are in the form of a Goodie Basket or a Gourmet Cookie Platter with Well Bred Packaging and Logo.

IMPORTANT: the Basket or the Platter can't be combined with prizes from other businesses without our permission. It must be offered for a raffle or an auction in the original packing and original Well Bred Labels without addition of other labels.
