NEW PRODUCTS DOGS

BIODEGRADABLE BAGS

Grabbies Media' (grabbies .com) Grabbies Dog Poo-Paw Mitts are all-natural, compostable dog poop mitts made of plant-based materials. If left outside, the bag will decompose along with a dog's waste and/or turn into fertilizer. The Mitts are available in certified recyclable packaging and come in small, individual pocket packs of 10, medium packs of 60 and flex packs of 100.

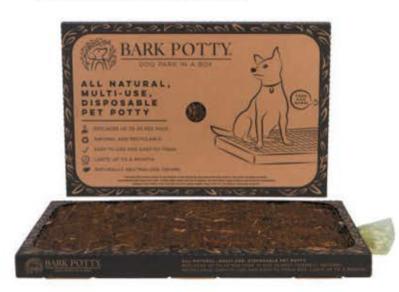

FRENCH CUISINE

Bonne et Filou (bonneetfilou.com) macarons for dogs are all-natural human-grade treats. Its base recipe contains out flour, honey and coconut oil, and the yogurt filling inside is available in strawberry, lavender and mint. The handmade macarons contain no artificial coloring or preservatives, and are corn-, wheat-, and GMO-free.

GOING GREEN

Bark Potty (barkpotty.com) is a multi-use pee pad made from real bark that contains natural earthy smells to stimulate a dog's innate instinct to mark their territory. Eco-friendly and shelf stable, Bark Potty's patent-pending design holds in litter and contains natural, safe bacteria that breaks down odors to eliminate unpleasant smells or leaking.

CHEW & ROLL

Benebone's (benebone.com) Zaggler is a bacon-flavored chew toy that's designed with a rolling base, handles on each side and patented ridges to help a dog's teeth stay clean. It's available tiny, small, medium and large.

TRAVEL TIME

Wild One's (wildone.com) Travel Carrier offers breathable mesh walls, a dual-use leash and shoulder strap, and an interior cushion that folds out into a comfortable travel bed. Airline compliant and sized to fit conveniently below standard airline seats, the travel carrier also offers quick zip panels for easy access to your dog.

WEATHER THE STORM

The **PetSafe** (petsafe.net) Pet Storm Door by LARSON (larsondoors .com) features a heavy-duty, aluminum frame, tempered glass, a durable screen and its reversible for top or bottom ventilation. The storm door is available in two sizes, fits standard door measurements of 32 or 36 in. wide by 81 in. tall, and works for most pets up to 100 lbs.

NUTRITIONAL NOOCHIES

Because Animals Inc.'s

(becauseanimals.com) Noochies dog cookies are USDA certified organic and human grade. Noochies are gently-baked and made from whole food ingredients such as peanut butter, banana, ancient grains, coconut oil and nutritional yeast. Nooch, as nutritional yeast is commonly known, has a rich, cheesy, umami taste and offers multiple health benefits. Nooch is a complete, sustainable protein containing all 10 amino acids a dog needs.

GOOD GRIP

Walkee Paws' (walkeepaws.com) Grippie Leggings are waterproof booties that offer improved traction, a smooth and comfortable interior and water-resistant technology on stretchy legging fabric so the legs stay dry. The leggings have an over-the-back design with two adjusters and a loose ankle fit, available in XS, S, M, L or XL.
