- Attach fins to ankle cuff top then make holes ankles then attach and tie string to child's size

### **Waist band and cuffs**

- Cut material to size then attach materials to ribbon using glue gun

**When we do costumes,  
We like to try and make  
them as low waste as  
possible**

**Halloween may be  
cancelled in our corner  
of the world, but that  
hasn't stopped us  
creating some magic!**
