

Avalon™

Category: Garden Templates™

Series: Neo-Medieval™

Material: Landscape Fabric

Material Desc: Landscape Fabric is a lightweight durable spun-bond white polyester membrane which allows water and nutrients to reach plant root zones while suppressing weed growth.

We precision print your selected labyrinth design as a black outline on 6' wide panels of our white landscape fabric. Shipped with an assembly diagram, the panels are joined and staked on your prepared surface using the provided steel landscape staples.

Circuits: 3

Product ID: 59

Colors Available: Black Outline
