

Classical 5™

Category: Portable Labyrinths

Series: Classical™

Material: Poly Canvas

Material Desc: 6 oz. polyester duck fabric has a weave similar to cotton canvas. Poly canvas is washable and suitable for use indoors or out. Poly canvas will not rot nor promote mildew growth. Poly canvas units include brass grommets in the hem and ship with tent stakes.

We print the lines of each labyrinth design in your selected color(s) using the latest eco-friendly heatset colorfast inks. Inks produce precise, long-lasting designs without the added weight of paints or other coatings. Our ink lines will not chip, crack or peel.

Our Poly Canvas labyrinths are professionally sewn with double stitched seams and rolled double stitched hems. Poly Canvas floorcloths 30' and larger incorporate Velcro™ seams to break the labyrinth into more than one section to improve transportability. Our standard finished shape is a square.

Our poly canvas labyrinths have the following weights: 12' units are 6 lbs., 18'=13 lbs., 24'=23 lbs., 30'=35 lbs., 36'=50 lbs., 42'=68 lbs., 45' (42.3' exact Chartres Replicas) =78 lbs., and 48'=89 lbs.
