General Notes for Floor Labyrinth Kits:

Client is responsible for material purchase and delivery to Fabrication Plant, except as noted.

The Fabrication Price is our fee. Material costs and Kit Totals shown are estimates.

All information is intended as general price guidance - each kit is made to order and individually priced.

Prices are for Pre-cut and Packaged, Ready to Install Kits, including Instructions, except as noted.

Simpler, non-Chartres designs may cost less to produce. Octagonal designs generally cost the least.

Kit Prices do not include freight to Client.

Kit Prices do not include site preparation, installation, sealant, or any other items not noted above.
