ADVANCED EMBROIDERY
Start Your Embroidery Journey

- **Built-In Embroidery Designs, Frame Pattern Combinations, and Lettering Fonts**
  258 built-in embroidery designs, 140 frame pattern combinations, and 13 embroidery lettering fonts.

- **Wireless Capability**
  Send designs wirelessly from your PC† to your machine when connected to a wireless network, using Design Database Transfer. (No USB needed.)

- **Large Work Area**
  Enjoy working on a generous 6″ x 10″ (160mm x 260mm) embroidery area, and with a sizeable 8.3″ (210mm) from needle to arm so you can tackle big projects. Plus, the compact faceplate provides better visibility for changing needles.

- **Colour Display**
  Edit your designs on the 4.9″ (120mm) colour LCD touch screen display, which is intuitive with on-screen editing, enhanced zoom, resizing, rotating, repositioning, drag and drop, and combining designs, all right at your fingertips.

- **Bright Work Area**
  Keep the project going with bright LED lights that will keep you creating.

- **Up to 850 Stitches Per Minute**
  Efficient and fast, embroider and sew designs at up to 850 stitches per minute so that you can create more in less time.

- **Increase Your Productivity**
  A host of inspiring features such as Colour Sort, Automatic Thread Cutting and an advanced Automatic Thread Trimming System will increase your productivity.

- **Personalise and Customize**
  Personalize and customize all of your DIY projects such as home décor, chic vintage goods, and even gift-giving projects.

- **Included Accessories**
  From an LED Pointer Embroidery Foot and a Thread Spool Insert to three Embroidery Frame Sets, you'll be creating before you know it.

†Design Database Transfer is compatible with Windows.
