Welcome to Nufurn

More than commercial furniture suppliers, we're ultimately about helping you to transform your environment and improve the experience of your guests.

We are delighted to bring you highlights from our Premium Gaming Stool range. We invite you to speak to one of our team of hospitality and gaming industry experts who are on hand to work with you and your clientele to design, manufacture and supply gaming room furniture that is just right for your venue.

Our customer's specific needs, product durability, and functionality are the cornerstones of our design process as exemplified in the high quality of our finished products.

Exceptional customer service is our signature; we look forward to working with you soon!
