Product Details

Parquetry:

Laid in a classic Mosaic Parquet Pattern, our high quality Oak Timber parquetry panels are inlaid on a moisture resistant MDF panel base and are available in Light or Dark Oak finishes.

Surface Finish:

A slip-resistant Polyurethane clear coat finish is incredibly durable, resisting chipping, scratching and fading, therefore eliminating dance floor re-surfacing and maintenance costs.

Protective Underside:

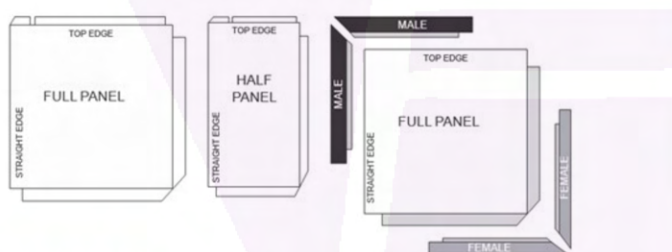

A non-slip, moisture resistant coating protects your panels from absorbing moisture and prevent Ezi-Flor panels from slipping out of position, on carpeted floors.

Edging:

Our grooved edge and corner pieces are made from anodised aluminium, are non-slip and are available in Gold or Silver finishes.

Easy to Identify Parts:

Nufurns' Ezi-Flor Portable Dance Floor kits feature simple male-to-female connections that are easy to identify.

Simple to Lay:

Laying and taking up your new dance floor could not be easier.

- Start in the top left corner
- Laying row by row from left to right
- Finish in the bottom right corner
- Slide your edge and corner pieces into place
- Dance the night away!
