The accessible way to experience luxury

Molmic's latest Access fabric range is full of the great textures you love. Access is about flexibility, with apartment living and open spaces in mind and the fabric range reflects just that.

With timeless neutral tones of grey, beige and navy in favourite's **Tommy**, **Cluster** and oh-so-cosy **Cushion**. Accent colours include Turmeric and Mustard which can take centre stage on ottomans and accessories. New to the range this year are **Jazz**, **Matrix** and **Keylargo**, robust and versatile options to suit any interior.

We think you'll find Access can adapt and align with the latest soft furnishing colours, textures and style directions.
