Nufurn Commercial Furniture

Since 1996

Durability is the cornerstone of our design process and is exemplified in the quality of our products.

Exceptional customer service is our signature.

Welcome to Nufurn.

100% Australian owned and established since 1996, we design, manufacture and supply a specialist range of contract furniture to the Hospitality Industry specialising in Banqueting, Function, Event, Meeting, Conference & Dining Furniture.

With our heritage in designing, manufacturing and supplying furniture to the global hospitality market, we truly understand the importance of strength, function and style.

We're pleased to present details of our most popular Nesting & Folding Tables for use with Buffet Presentation & Display Set-Ups, the efficiency and professionalism of which, is critical to the success of many different types of events hosted by Hotels, Resorts, Convention & Function venues as well as Clubs and more!

Our Nesting & Folding Tables are manufactured to order. This means we can manufacture them exactly as you want them.

The details provided in this brochure are merely suggestions, based on popular requirements of previous customers. If you have something different in mind - simple let us know - we can produce, practically, anything you require.

Please visit our website www.nufurn.com.au and see for yourself the reason that people keep coming back to Nufurn.

Finishing Options - Frames

Nufurn Folding & Nesting Table Frames can be manufactured in either Steel or Stainless Steel tubing. This allows Nufurn to offer you a wide selection of finishing options to suit your new tables to virtually any room décor.

As part of our commitment to environmentally responsible furniture manufacturing, Nufurn does not produce Chrome finished table frames. If a polished finish is desired, we use Stainless Steel tubing.
