

All Nantucket Sinks warranties are applicable to our products installed in a residential setting for typical daily use. Warranty does not apply to industrial or commercial applications. Our products are warranted to the original owner to be free of manufacturing and mechanical defects. If a defect is found, we will provide a replacement part or product, or make the appropriate adjustment. Warranty is extended to the original purchaser. Damages incurred as a result of installation, replacement/repair, as well as damages due to improper cleaning, misuse or neglect are not covered. Specialty metal items such as copper, brass, nickel can be expected to naturally patina over time and with normal use. These changes are not considered a defect and is not covered under warranty. Transportation costs or labor costs are not included in this warranty. Failure to follow the recommended procedures for care and maintenance, abusive treatment or environmental factors as well as the use of corrosive materials, corrosive liquids or photographic solutions is prohibited and will void warranty. Nantucket Sinks reserves the right to examine the installation and product prior to installation. This warranty is extended to only the original consumer purchaser of the product.

To obtain service under warranty write an email containing the following information:

Date and location of purchase and installation, Description of nature of defect, Model number or description of model to: info@nantucketsinksusa.com (Please include pictures where applicable).
