HOW TO WEAR THE CHRYSALIS CARDI

WELCOME TO THE FREEDOM OF BEING A VERSATILITY
MAVEN. THE CHRYSALIS CARDI IS AN INNOVATIVE DESIGN
THAT CAN BE STYLED 8+ WAYS.

the chrysalis *cardi*

The secret is hidden snaps along the hemlines which when snapped together create a variety of looks. To open a snap, use your nail to split the snap versus pulling on the fabric. A belt is included for the dresses or swap with your own for different ways to style.

Some looks are more challenging than others. We've rated each one on a scale of easy, medium or adventurous.

Visit www.encircled.ca/pages/how-to-wear to follow along with our step by step videos on how to master the looks, or get creative and make your own.

With gratitude,
Kristi / Founder, Encircled

Female Snap
(With Indent)

Male Snap
(With Point)

* Depending on the version of your Chrysalis Cardi, your male snap M1 and female snap F2 and may be reversed from our diagram. This will not affect any of the looks.

● EASY

.....
1. Undo all snaps on the Chrysalis Cardi and hold from the top edge with 4 snaps facing up. Place onto a flat surface with seam in the centre as the top layer.
.....

2. Take female snap (F1) found a few inches above the tag and connect it to male snap (M3) found at the bottom underside of the loop.
.....

3. Grab from the top edge and drape over your back and shoulders.
.....

4. Reach back and pull your arms through. You may have to adjust fabric drape in the back.

●● MEDIUM

1. Undo all snaps and place onto a flat surface. Flip cardi so that the bottom edge with 2 snaps is at the top.

2. Connect female snap (F3) and male snap (M3), found on the bottom edge.

3. Put your head through any of the two openings that was just made, and move snap and extra fabric draped on your back.

4. Snap together remaining snaps around your waist. Female and male snaps (F1 + M1) and (F2 + M2).

5. Put your arms through the 2 smaller side openings from the bottom.

the one shoulder *dress*

●● MEDIUM

1. Undo all snaps and open up like a big loop. Make sure the top edge with the four snaps is facing up with the seam at the back. Step into the centre of the loop.

2. Connect female snap (F1) and male snap (M2) to create the one shoulder.

3. Pull arm through the opening that was made, and onto shoulders leaving the remaining fabric draped like a toga.

4. Reach back and snap together remaining snaps (F2 + M1) underneath the draping. Tuck fabric into bra as required.

5. Secure with belt, wrap around low or high waist.

■ EASY

1. Undo all snaps and place onto a flat surface. Make sure the top edge with four snaps is facing up.

2. Start with the shoulders. Snap together (F1 + M1) and (F2 + M2), the closest male and female snaps to each other.

3. Pull your head through the centre largest opening. Put arms through smaller side openings and adjust by moving the snaps onto the top of your shoulder.

4. Adjust the drape in the front for desired neckline. Secure with belt at low or high waist. Make sure snaps at shoulder are not pulled too tight by releasing the fabric over belt. Try high-low dress for an alternative!

the *scarves*

● EASY

1. Undo all snaps and open up like a big loop.

2. Drape loop over neck. Put tag/seam at back of neck. Leave drapery for the Big Loop look.

3. Or wrap twice for the Double Loop look.

4. Wrap a third time for the Triple Loop look. When wearing as the triple loop scarf, pull up back excess fabric to wear as a snood.

● EASY

1. Undo all snaps and open up like a big loop.
.....
2. Drape loop over neck, arm and shoulders like a shawl.
.....
3. Grab fabric from one side of the loop.
.....
4. Toss fabric over the opposite shoulder. Adjust fabric accordingly. No snaps required!

●●● ADVENTUROUS

1. Undo all snaps and open up like a big loop. Step into the centre of the loop. Make sure the top edge with the four snaps is facing down with the seam in the front.

2. Drape fabric over shoulders at neck, like a reversed infinity scarf worn at your back.

3. Reach backwards and grab loop with both hands, and twist.

4. Pull twisted loop up and over your head.

5. Put arms through the opening made. Push fabric down onto waist. Connect (F1 + M2) to hold together the looped fabric from your chest and waist.

6. Pull fabric from waist loop up to cover chest like a tube top. Pull fabric loop at your neck down over shoulders and arms.

FABRIC + CARE

Made from an eco-friendly blend of Modal that uses low impact dyes.

Undo all snaps. Wash on gentle cycle in cold water with like colours in a mesh delicates bag. Preferably hand wash and hang to dry.
