

Jessie Rose

Hey everyone.. I hope you are all well! I've been super busy with my Term 1 Inspire Art Classes.. the art being created by my students is amazing, it is always so awesome to see their confidence and creativity grow!

Term 2 classes are now available to book.. For as long as we possibly could we have held off increasing fees at Inspire, however since lowering Inspire numbers by 2 students per class last year and the ever increasing costs we have to cover to keep inspire running - as of Term 2 Inspire art with Jessie Rose will increase. We are very aware it is really tough times out there, but we hope this fee increase comes with understanding that running a business with ever increasing expenses is also challenging.

It has been 8 years to the day that I painted my first Coffin.. where has the time gone?? 8 yrs on and it continues to be a real honour to provide families the option of a Hand Painted Coffin for their loved one.

Also you may have heard Pink is coming back to NZ - I wanted to share with you the Art I created welcoming her to NZ in 2018.. which Pink herself signed and we raised \$7000 for KidsCan - one of the highlights in my career as an artist for sure!

Term 2 Inspire Art Classes are now available for booking!
