THE NEW GENERATION OF DUNLOP[®] RIGGER BOOTS

- COMFORT
- DURABILITY
- SAFETY

THE DUNLOP® RUGGED The Ideal Construction!

Dunlop® introduces a new generation of Rigger boots: 'The Dunlop® Rugged'. This boot offers all the benefits of Purofort® and a superior outsole, making it an ideal boot for every-day construction work. This is the only footwear to combine comfort and flexibility with durability under all weather conditions.

What makes The Dunlop® Rugged the best Rigger?

Comfort

- 100% waterproof (no stitched seams), keeping feet dry and warm
- Stays flexible and supple, with every step and movement
- Anatomically designed foot bed, offering support all day

Durability

- Easy to maintain and clean
- Does not dry out and crack
- Cut resistant upper

Safety

- Outsole with optimal grip on uneven and wet surfaces
- Steel toecap and midsole, offering full safety
- EN ISO 20345:2011 S5 CI SRC

AN OUTSOLE SPECIFICALLY DESIGNED FOR PROFESSIONAL USE:

- Optimal grip
- Dirt repellent
- High abrasion resistance

- Anatomically designed foot bed

The Technology

PUROFORT®

High pressure manufacturing gives Purofort® boots their remarkable properties. Dunlop® Purofort® is the best solution for:

Safety

- Highly slip resistant outsoles
- Closed, smooth structure: resistant to chemicals, blood, oils and fats
- Anti-bacterial treatment

Comfort

- Outstanding insulation (-20° C, -4° F)
- Flexible and supple even at very low temperatures
- Lightweight

Durable

- Lasts up to twice as long as traditional boots
- Highly abrasion resistant
- Wear and tear resistant
