

## A universal ventilating half round dry ridge system, for clay ridge tiles.

The Roll Fix Clay Half Round Ridge Kit is a ventilating dry ridge system designed specifically for clay half round ridge tiles. Available in 3 colours to blend in with the roof, it comes in a practical all-in-one kit and includes sufficient ridge seals for 300mm clay ridge tiles.

### Typical section

Ridge detail with clay half round ridge tiles

### Features and benefits

- Mortar free, making it quick to install in most weathers.
- Premium ridge roll with stainless steel fixings.
- Highly durable - UV stable and water and wind resistant.

### Area of application

- Suits clay half round ridge tiles.
- Additional seals and fixings for 300mm ridge tiles included.
- Suitable for new build and refurbishment.

### Related products

- Flashing Glue PACCGL\*

### Approvals and certifications

- Complies with: BS 5250 for ventilation, BS 8612 for performance and BS 5534 for mechanical fixing.
- Manufactured to DIN 4108/3.
- All products supplied by Klobber Ltd are covered by a 10 year guarantee against manufacturing defect.

\* Recommended to help fix the butyl strip in damp conditions.
