

EXCEPTIONAL  
MINERAL-BASED  
COMPOSITE  
DECKING

- ✗ NO WOOD
- ✗ NO PVC

Beautiful mineral composite  
decking like no other.

### COMPREHENSIVE 25-YEAR WARRANTY

Deckorator's products are backed by an industry-leading warranty. Our **25-year structural warranty** is the most comprehensive available for mineral-based composite decking.

Mineral-based composite decking board, designed with textured embossing for best-in-class traction.

Voyage decking is part of Deckorator's patented mineral-based composite technology line which provides the industry's best strength-to-weight ratio. Featuring a fibre-like structure similar to wood, Voyage has unmatched strength that is nearly 35% lighter than traditional composites and similar in weight to PVC. Voyage varied-plank decking is now available in two different widths to create that custom wood floor look.

- Voyage provides 34% or greater surface traction than other leading brands of composite decking.
  - Virtually no thermal expansion or contraction and is warranted for installation in the ground or water.
- Ideal near water as it features textured embossing for enhanced traction.
- Won't splinter, sag, chalk or crack.
- Stain and fade-resistant cap stock.
- Can be face-fixed to eliminate gaps between boards, or can be fixed using traditional Stowaway™ fixing brackets.
- Fascia board and clips available.
- Fire-rated.

Voyage decking will not rot, splinter or decay like wood. It has been tested under accelerated weather conditions and is weather-resistant.
