

# NOVIA

## Floorguard

Protecting heavily trafficked areas, new surfaces and finishes during construction, is a vital part of ensuring a project is delivered on time and on budget. Novia Floorguard is a basic low-cost recycled grey board suitable for all general temporary protection applications. The product is water and slip-resistant, and can be quickly and easily be cut to fit any awkward shapes found on site.

Size available..... 1000 mm x 50m  
Roll area coverage..... 50 m<sup>2</sup>  
Approx roll weight..... 16 kg  
Material thickness..... 500 microns
