

Half Round Rainwater System

FloPlast recommend the use of lubricant on all gutter seals for ease of fitting and improved performance.

Features & Benefits:

- The original Half Round profile.
- A practical, easy to install system.
- Good flow capacity.
- Pre-fitted gutter seal retaining clip system for fast user friendly installation.
- Pre-lubricated seals.
- Cost effective solution for both new build and Refurbishment applications.
- Connects to most other metal or plastic systems using our extensive range of adaptors.
