

JT ANTI-SLIP NOW AVAILABLE

ANTI-SLIP treatment is now available for retro fitting on all shower trays and baths

JT, the UK's leading shower tray manufacturer, have produced an Anti-Slip kit designed to be applied to existing shower trays and baths.

JT ANTI-SLIP

- Solves the problem of minimising slips, accidents and claims without the need of a mat.
- Conforms to BS7976-22002, DIN 51097
- European Class C slip rating.
- Independently tested and approved.
- Anti-Slip comes with a 2 Year Guarantee.
- Available from your local plumbers merchant
- Also available as a factory applied treatment on all new JT shower trays (request when ordering)
