Viewlite toolbar - wall 712

Because the toolbar is front-mounted, you can adjust the distance between its wall mount brackets. This lets you install it anywhere on a wall. The brackets are barely visible afterwards. Cables are easily hidden in the toolbar's cable duct to create a tidy, professional impression.

- Toolbar assembly with a rail length of 1200 mm (47,2")
- Comes with two freely placeable wall mounts
- Cables run neatly inside the toolbar's cable duct
- Comes with all necessary fasteners
- Suitable for max. 3 accessories of 8 kg (17,6 lb) each
