Classic USB-A Headset with Mic

Part Number: K97601WW | UPC Code: 085896976011

Hear and speak with complete clarity.

The Kensington USB Headset with Microphone is a durable headset that provides high-quality stereo sound, a microphone designed to support voice clarity, and best-in-class comfort features. Supporting common core learning standards, the headphones provide a max output of 94db for safe listening and the mic supports the latest audio-based classroom testing requirements. The USB Headset with Microphone is suitable for students, call centers, business professionals, and recreational gamers. Compatible with Windows, Mac and Chromebook for a simple plug and play experience.

Features include:

• High-quality stereo sound

• Best-in-class comfort

• Noise-cancelling microphone

• 6-foot USB cord

• Multi-device compatibility

• Safe listening limit

Classic USB-A Headset with Mic

Part Number: K97601WW | UPC Code: 085896976011

High-Quality Stereo Sound is provided through powerful 40mm drivers with deep bass and a wide dynamic range to deliver an exceptional listening experience.

Best-in-Class Comfort – designed to fit heads of all ages, the adjustable headband is padded,, and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use.

Noise-Cancelling Microphone uses passive resistance technology to filter out ambient noise for optimum speech clarity.

6-foot USB Cord is the ideal length for learning environments and strong enough to stand up to heavy use.

Multi-Device Compatibility allows headphones to work with Windows, Mac and Chromebook devices.

Safe Listening Limit sets the maximum output to 94db to protect ears from hearing loss associated with excessively loud noise.

Classic USB-A Headset with Mic
