

Kensington®

The All-in-One Organiser and Riser

SmartFit® Spin2™ Monitor Stand

Let the ergonomics innovator with over 20 years of expertise maximise your desktop space with this professional monitor stand. The patented, spinning multi-compartment storage area underneath the platform provides easy access to your most-used desktop tools and accessories. Measure, adjust and fit yourself with Kensington's patented SmartFit System so you can customise your monitor height using our colour-coded personal comfort system.

Features & Benefits:

- **SmartFit® System:** Allows you to dial in your ideal setting, with adjustable height options that you can match to your personal comfort colour using the hand chart that is included with your monitor stand
- **360-Degree Spinning Carousel:** Patented multi-compartment area reduces desktop clutter by giving you rotating individual sections for quick and easy access to your desktop supplies like paper clips, sticky notes, staples, pens and so much more
- **Reduce Eye/Neck Strain:** By setting your monitor at the proper height that is in line with your eyes, you can lower the chances you will suffer from aches and pain after spending long hours on the computer
- **Small Footprint:** Conserves your desktop space and offers an elegant look while providing a sturdy design that can hold a widescreen monitor up to 18kg

Why Trust Kensington?

For more than 20 years, Kensington has been the brand that professionals choose when they need innovative and comfortable ergonomic solutions for their business or home office. Leveraging a U.S. Army study, the patented SmartFit System is second to none in self-fitting to help alleviate aches and pains at the desk. This product has been designed with high-quality components so it's built to last.
