

Simply the best foot rest

SmartFit® SoleMate™ Pro ergonomic foot rest

Improve posture, promote healthy circulation and support back and leg comfort with the SmartFit® SoleMate™ Pro ergonomic foot rest. Ergonomically designed to promote wellness and support increased productivity, the SmartFit® SoleMate™ Pro ergonomic foot rest incorporates Kensington's patented SmartFit® technology to simplify proper fit and allows users to adjust the height and angle for customised comfort. An ideal foot rest for modern home office or hot-desking environments.

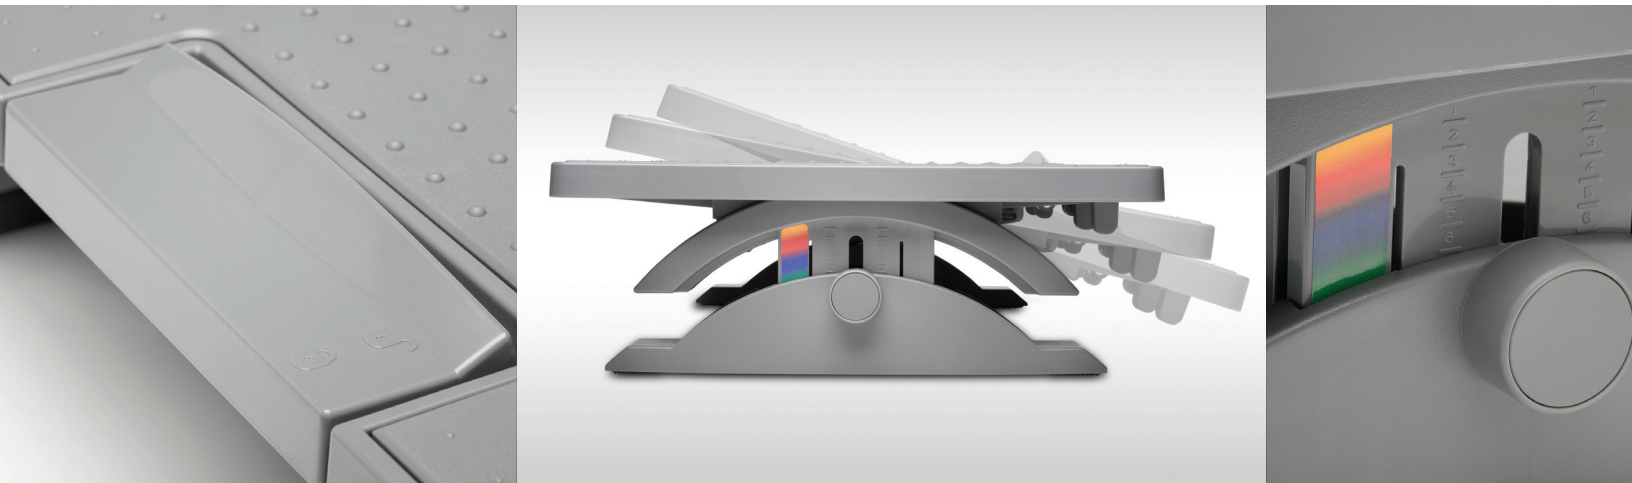

Ergonomic
design

SmartFit®
system

Features and benefits:

- **Ergonomist approved** to improve posture, promote healthy circulation and support back and leg comfort
- **SmartFit® system** simplifies ideal ergonomic height positioning using scientifically proven research to support proper fit and increase productivity
- **Height adjustable** with positions between 92.7mm–120mm (3.7in–4.7in) to support users of all heights
- **Angle & tilt adjustable** to allow users to personalise their preferred tilt position (angle adjusts 0°–18°; tilt adjusts 0°–18°)
- **Locking foot pedal control** allows users to adjust the foot rest without leaving their chair
- **Anti-slip base and top** ensures your foot rest and feet stay in place throughout the working day
- **Easy-to-clean surface** can be wiped cleaned with warm water
- **Wide platform** comfortably accommodates users preferring a wider stance
- **Non-toxic materials** independently certified for safety and compliance
- **Professional performance-focused design** combines functional and sophisticated low-profile elegance with durable components

Why trust Kensington?

Kensington understands that the right office environment supports productivity and is proud to offer accessories that support ergonomics and wellness. Innovation, quality and trust have made Kensington The Professionals' Choice™ in ergonomic accessories for more than 20 years.

Foot rests and the wellness-focused workstation

research confirms that an ergonomically designed workstation provides wellness and productivity benefits that link proper posture to improved work attendance and increased employee activity. Improving posture, promoting healthy circulation, and supporting back and leg comfort are just a few ways the SmartFit SoleMate Pro ergonomic foot rest supports employee wellness.
