## Lift Your Monitor for Optimal Viewing

SmartFit® Monitor Stands for up to 24" screens

Trust the brand with 20 years of ergonomic expertise for a monitor stand that works perfectly in the corporate or home office. Kensington's patented SmartFit System helps you position your monitor at the correct height without need for a specialist, reducing neck, back and eye strain. The stand has 3 height settings and leaves storage space under the platform to maximise your desktop surface area.

### Features & Benefits:

- **SmartFit® System:** Allows you to find your ideal setting, with adjustable snap-in risers that provide 3 height options to match to your personal comfort colour using the included hand chart
- **Reduce Eye/Neck Strain:** By setting your monitor at the proper height that's in line with your eyes, you can lower the chances you might suffer from aches and pain after spending long hours on the computer
- **Desktop Optimisation:** The area underneath the stand is open and can be utilized for accessories storage, allowing you to maximise your desktop space
- **Sturdy Universal Platform:** (K52785WW) The base of the stand is large enough to fit a wide variety of standard and widescreen monitors up to 18kg with a screen size of up to 21 inches. The base of the Plus stand (K52786WW / 60089) fits monitors up to 36kg with a screen size of up to 24 inches.

### Why Trust Kensington?

For more than 20 years, Kensington has been the brand that professionals choose when they need innovative and comfortable ergonomic solutions for their business or home office. Leveraging a U.S. Army study, the patented SmartFit System is second to none in self-fitting to help alleviate aches and pains at the desk. This product has been designed with high-quality components so it's built to last.
