

CIELO XL

DESCRIPTION

The minimalist Cielo pendant Series is expanding to include the stunning new Cielo XL, a taller and slimmer design offering premium machined aluminum finishes and boasting a warm and brilliant 1200 lumen output. Cielo XL is scaled perfectly for hospitality and residential environments alike and can be suspended individually, in a series or as chandelier groupings to provide focused illumination that is both perfectly balanced and glare free. Cielo XL is fully dimmable and employs state of the art flat panel LED technology which is rated for up to 50K hours of use.
