Retro charm. The elegant and delicate look of blown glass finds a new dimension in Jube. Two glass units placed side by side, perfectly assembled, so much so that they look like a unique piece. The result is a sinuous lamp, formed by superimpositions and with tone-on-tone colours that give it a precious, vintage mood. After the suspension, the collection is enriched with three new table versions, a new size of suspension, a new applique on a unique glass and a new floor lamp. Upper glass shades is available in five colours: smoky, burnt earth, antique green, crystal, light amethyst, metal parts finishes are satin gold and matt steel. LED light source.
