

LINE-VOLTAGE PENDANTS/SUSPENSION

Audra Grande Pendant LED SORAA T20

DESCRIPTION

Thick, organic flowing glass of the modern Audra Grande pendant light from Tech Lighting is painstakingly molded by European artisans to create an incredibly deep and rhythmic silhouette through which your choice of LED light or halogen light is artfully diffused. At 9.5" in height, this beautiful and unique pendant fixture is the perfect scale to be used as kitchen island lighting, bath lighting flanking a vanity or perhaps installed in a cluster as a modern interpretation of a chandelier in a foyer or dining room. With its five on-trend glass colors including classic clear, sultry smoke, surf green, winter white and steel blue, the Audra Grande light fixtures may be used to add a pop of color to complement decor in your special space. Includes low-voltage, 35 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, replaceable LED SORAA® module and six feet of field-cuttable cable. Dimmable with low-voltage electronic dimmer. Works with SORAA.

INSTALLATION

Each canopy ships complete with canopy and transformer to be mounted in junction box.

ACCESSORIES & OPTICAL CONTROLS

Line-voltage Swag Hook

WEIGHT

9.5-10lb / 4.31-4.54kg ±
