

CHOOSE SAFETY, CHOOSE THE SAFE T SLEEP SLEEPWRAP: THE SAFETY WRAP THAT WRAPS OVER ALL WRAPS 😊

We are of course so wrapped that Safe T Sleep was voted the 'BEST Safety Product' for the THIRD time in the OhBaby! Awards 2014 'Home' Category.

A significant seal of approval by thousands of discerning, safety conscious parents, grandparents, caregivers and health professionals.

As you already know the Safe T Sleep Sleepwrap is for babies approximately 0-24months of age. It is the world's most flexible, practical swaddling wrap which goes over any traditional or modern swaddling, wrap, sleeping bag or sleepwear for extra safety and peace of mind!

It allows natural, flexible movement according to stage of development whilst ensuring safest sleeping positions. The Sleepwraps and little HEADwedge help to Prevent PWS (Flat Heads) http://cdn.shopify.com/s/files/1/0223/2655/files/PWS_Paper.pdf?741

As a bonus it is the worlds' most practical, lightweight alternative to a portable cot - easier, more convenient visiting and travelling for parents, grandparents, and caregivers!
