COLLECTIONS GUIDE

EXPERIENCE
LIFE IN

full bloom

THE COLLECTIONS

To better understand which flower essences to use when and why, there are three different collections.

Each collection has a range of intentionality of what it's highlighting for us, and this framework can help you better understand how to recommend the most appropriate flower essences to your clients.

 STABILIZATION
AKA: FEEL GOOD

 EXPLORATION
AKA: GO DEEP

 EXPANSION
AKA: AWAKEN

WHICH OF THESE FLOWERS ARE YOU MOST ATTRACTED TO?

STABILIZATION

AKA: FEEL GOOD

These six combinations are the go-to blends for survival. When clients are deeply stressed, off-center and need swift stabilization, we can lean into these blends for foundational stability and to feel good.
