

# Warranty Registration

If you have purchased a Blaze Series Grill you must register your product within 30 days of purchase to validate the warranty and maintain your original receipt to get parts for the appliance. You may register your appliance at *blazegrills.com* by selecting Support, and then selecting Register your Product. You may also fill out page 39-40 and mail to the address located at the bottom of the form. The warranty is for original owners only at the original site of delivery and cannot be transferred to new owners. You must retain your sales slip or invoice. Blaze Grills are warranted for normal single family/residential use only.

Installation, repair and maintenance work should be performed by an authorized service technician. Work by unqualified persons could be dangerous and will void the warranty. All Natural and LP Gas appliances must have a qualified installer complete the installation for the warranty to be in effect. The incorrect installation of the Blaze gas appliance will void the warranty. Please call Blaze Outdoor Products for more information on correct installation of the gas appliance.

Blaze Outdoor Products shall not be liable under this or any implied warranty for incidental or consequential damages and Blaze Outdoor Products liability is limited to the purchase price of the appliance only. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. This warranty is applicable in the United States and Canada only. No one else is authorized to perform any obligations under this warranty.

**ATTENTION International Customers: Please consult your selling dealer or distributor for specifics pertaining to your product warranty and procedure. No one else is authorized to perform any obligations under this warranty.**
