

MYBREAD®

GLUTEN FREE BAKERY

Dear Store Manager,

MYBREAD® is my favorite gluten-free, vegan and allergen-free bread on the market. In addition to their fabulous taste, all MYBREAD products are free from gluten, dairy, eggs, nuts and soy which make them safe for consumers like myself who maintain a special diet due to allergies, dietary preference or medical necessity. I'm a loyal customer of your store and would love to find MYBREAD in your frozen or refrigerated bread section.

Please contact MYBREAD directly at hello@mybreadbakery.com if you have additional questions or would like more information.
